What does the *Catechism* say about...?

Happy 25th Birthday *Catechism of the Catholic Church!*

“98. What does the virginal conception of Jesus mean?”

The virginal conception of Jesus means that Jesus was conceived in the womb of the Virgin solely by the power of the Holy Spirit without the intervention of a man. He is the Son of the heavenly Father according to his divine nature and the Son of Mary according to his human nature. He is, however, truly the Son of God in both natures since there is in him only one Person, who is divine.

99. In what sense is Mary ‘ever Virgin’?

Mary is ever virgin in the sense that she ‘remained a virgin in conceiving her Son, a virgin in giving birth to him, a virgin in carrying him, a virgin in nursing him at her breast, always a virgin’ (Saint Augustine). Therefore, when the Gospels speak of the ‘brothers and sisters of Jesus,’ they are talking about the close relations of Jesus, according to the way of speaking used in Sacred Scripture.” [i.e. they were cousins]

Summary of paragraphs 496-507 and 510-511 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
