O God, who on this day, through your Only Begotten Son, have conquered death and unlocked for us the path to eternity, grant, we pray, that we who keep the solemnity of the Lord's Resurrection may, through the renewal brought by your Spirit, rise up in the light of life. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever. Amen.

### **What does the Catechism say about...?**

#### **“239. What are the criteria for the proper use of singing and music in liturgical celebrations?”**

Since song and music are closely connected with liturgical action they must respect the following criteria. They should conform to Catholic doctrine in their texts, drawn preferably from Sacred Scripture and liturgical sources. They should be a beautiful expression of prayer. The music should be of a high quality. Song and music should encourage the participation of the liturgical assembly. They should express the cultural richness of the People of God and the sacred and solemn character of the celebration. ‘He who sings, prays twice’ (Saint Augustine).”

Summary of paragraphs 1156-1158 and 1191 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
